Caution

Please read carefully.
*Keep materials out of the reach of young children who may try to swallow them. Keep materials out of the reach of young children who may try to swallow them.
*Be careful not to cut your hands or fingers when using knives or scissors.

- Scissors line
- Mountain fold
- Valley fold
- Glue tabs
- Insert without adding glue
- Cut in line

Assembly Instructions

1. Cut carefully along the line.
2. Use an implement such as a used ball-point pen to score lines in the paper to make careful mountain folds and valley folds.
3. Refer to the diagrams as you add glue and assemble the parts in order.
